GOLD RUSH CLASSIC 19th ANNUAL PERUVIAN HORSE SHOW SCPPHC 30th ANNUAL SPRING CLASSIC SHOW

The Gold Rush Peruvian Horse Classic is celebrating its 19th year since its inception as a combined Regional Championship Show. What started between the Western Colorado Peruvian Horse Club and the Centennial State Peruvian Horse Club held at National Western in Denver for several years, has grown to something quite a bit more. A series of events in the first few years of the GRC, saw the formation of the Rio Grande Club with Barbara Windom at the helm, the opening of a phenomenal new equestrian facility in Las Vegas and the dedication of Barbara and Eleanor Palmisano working together to bring the show to this remarkable world class facility in 2007. The Gold Rush Classic has continued for 13 years at the South Point with the Rio Grande as one regional show sharing first with Centennial State, then Central Coast and finally the Southern California Peruvian Paso Horse Club.

In 2017 tragedy struck months before the show was to take place, when Barbara Windom was suddenly taken from us. She had been integral to this shows survival, but because of the years of organization and collaboration with so many dedicated and hard-working individuals, the show went on. Not only did it go on, it brought our Peruvian Horse community together like never before. And before the show weekend was done a group of exhibitors and supporters came together and formed the Barbara Windom Legacy Sponsorship- a sponsorship aimed at covering the facility fees for the next three years. Additionally, the Southern California Peruvian Paso Horse Club agreed to take the hosting reins to hold the Gold Rush Classic at the South Point in Vegas, hosting its Spring Classic Show and the Rio Grande Gold Rush Classic Show. The volunteers, sponsors, officials, staff, exhibitors and guests keep the Gold Rush Classic alive and we look forward to seeing you all this year in June at the South Point Hotel, Casino and Equestrian Center in Las Vegas, Nevada. Come be part of something wonderful, come be part of one of the best show weekends of the year with us, come celebrate our community and the magnificent Peruvian Paso Horse!

OUR JUDGES

Judging for the RGPHS is Ernesto Roca Dammert. Born in Lima, he is married with 3 beautiful daughters and has been involved in the Peruvian Horse breed since 1983. Ernesto showed his first horse in 1985, and has been breeding since 1987 with the prefix ERD, first in Cieneguilla and now in Mala, Peru. He has been a judge since 2012 and has judged the Peru National show in 2017 as well as national shows in Panama and Honduras. Ernesto currently serves as a board member of the ANPCPP and is a member of the “Comite de la Raza” committee.

The SCPPHC Spring Classic judge this year is Sr. Roque Benavides Ganoza of Lima, Peru. He is an author of many articles on the breed and regarded as a top judge and breeder of the Peruvian Horse and is a past president of the Peruvian Horse Association in Peru. Internationally esteemed in both the Peruvian Horse world and the international business community, we greatly appreciate his time and experience at the 2019 GRC.

RULES AND SHOW STANDARDS

NAPHA Rules:

The GRC is operated in accordance with the current official Rules and Regulations of Horse Showing and Peruvian Pas Breed Standards of the North American Peruvian Horse Association. Every person who participates in the show is responsible for a knowledge of, and is subject to, these NAPHA rules. Rule book can be obtained at www.napha.net under Forms & Rules.

Everything is being done to conduct the show on the highest possible plane and for the pleasure of exhibitors and spectators. The best adjudicating officials to be found are selected and they will place awards upon the horses as they see them presented in the arena, without regard to previous records of performance.

General Rules:

Judges Authority:

- The judges have the authority to place any horse in whatever position he/she thinks the merit of the horse justifies. Any exhibitor desiring to discuss his placing with a Judge must FIRST obtain permission from the Show Steward.
- The judges *do not confer* and make all placings for their respective shows independently, except for any exhibition classes and Champagne Class where there is only one set of awards.
- The Gold Rush Classic, in the interest of conducting an orderly and efficient show, supplies its Judges with a set of recommended procedures for conduct of the double show, which will be made available to all exhibitors. However, these are suggestions *only* and may not be construed to be binding requirements upon the Judges, except for the requirement of no conference between the judges except as noted above.
- In the event the judge is unable to perform their duty, the SCPPHC reserves the right to substitute an equally qualified judge.

Cones Spacing: It will be requested of the judges to keep the spacing between cones in the performance division classes to be **at least 8 feet apart**.

It is MANDATORY upon arriving to the warm up arena, that you **check in for your class with the Gate Steward**. You will not be permitted to enter show arena until the Gate Steward has confirmed your entry.

Post Entries: Must be done in Show Office on provided add/delete slips

***All ADD/DELETE/RIDER CHANGES will be accepted
no later than 3 classes prior to requested class with Show Secretary***

GATE SCRATCHES ARE PROHIBITED!

*It is up to the exhibitor to keep track of their class entries- including all Championship qualified classes, which are automatically entered. If a delete slip is not on file in the show office, you **will be billed** for that class. The show office is happy to supply all exhibitors with a copy of qualified Championship classes- come by any time during office hours to confirm.*

There will be NO exceptions to this rule.

RULES AND SHOW STANDARDS

Show Office Hours:

Thursday: 10:00 am until 3:00 pm

Fri-Sun: 7:30 am until One Hour after end of last class

Conduct and Safety:

Courtesy will be shown to fellow exhibitors and the viewing public at all times.
- Cruelty to any horse, by any person, at this show will NOT be tolerated.
- Exhibitors shall always take whatever steps are necessary to protect themselves, their horses, and the viewing public. Please be especially careful in the warm-up arena and gate areas.

Showgrounds Rules:

- **Responsibility:** Entries are accepted with the understanding that NAPHA, participating clubs & showgrounds will not be held responsible for any loss, personal injury, or damage to horses exhibited or for any article of any kind or nature that may be lost or destroyed or in any way damaged. All horses shall be under the control and direction of the Show Committee but solely at the risk of the exhibitor, who will be responsible for any injury that may be occasioned to any person or animal or damage to any property while on the grounds by any horse owned or exhibited by him and shall indemnify the management against all claims or damages of any kind or nature, including attorney fees and court costs, that may grow out of any injury occasioned by any horse owned or exhibited by him or arising from any cause whatever, including the negligence of himself or any other person, including the person in charge of any such horse.
- **ABSOLUTELY NO PETS ALLOWED IN HOTEL OR STABLE AREA.**
(Except, of course, service animals such as Seeing Eye Dogs-as defined by the ADA)
- **Stall Decorations** are highly discouraged; stall damage will be billed to the exhibitor. ANY ITEMS such as chairs left in the aisles in violation of the fire code will be moved at South Point's discretion *without notice to the exhibitor. Staples, nails and tape are forbidden on stalls.*
