

## 2017 Spring Jr Clinic

When: April 22-23rd, 2017

Where: Kennewick, WA

Clinician: Jose Vazquez

Marissa and Tia have agreed to help with putting on the junior clinic this year. Steve and Jenee have generously donated their ranch for us to use and are willing to provide the food. Marissa will be having t-shirts made for all the kids, along with a few other “goodies”. Tia is going to try and come up with prizes that we can give away during the clinic.

If we have enough participants, then we will plan on having a “first-aid” session in which Marissa will teach the kids some basic first aid skills that can come in handy during an emergency. Jose will work with the kids both days and go over skills that they can use for the upcoming show season.

Once we know the amount of participants we will come up with a schedule and will distribute it to the participants.

If club members would like to help, we are looking for donations to help with food and/or prizes as everything will be paid for out of pocket by the Demers, Tia and Marissa.

Deadline for notification of participation in the clinic is March 15<sup>th</sup>, 2017. Please return registration and waiver of liability to Marissa at [nvr4getcena06@yahoo.com](mailto:nvr4getcena06@yahoo.com) or via mail.

Questions can also be sent to Marissa or she can be reached at 541-771-0709.

We are in need of portable panels in order to create enough pens for all the horses, so if you have some we can borrow we would certainly appreciate it. We are also working on figuring our sleeping arrangements and we will pass this information along as we know more.

Let me know if you have questions

Marissa
