

# PHCBC is hosting a Spring Clinic

## "LET'S HAVE SOME FUN" Part II

Sat & Sun May 2<sup>nd</sup> & 3rd 2015

At North Okanagan Peruvians  
3491 Salmon River Road, Armstrong, BC

### OUR CLINICIANS:

**Kelly Macintosh:** Vernon, BC. Beginner & Intermediate level coach, jumping & dressage

**Ilona Berbekar:** Enderby, BC. Dressage for Gaited Horses.

**Jose Vasquez:** Spokane, Wash. Peruvian horse basics, tack & saddle fitting and riding

We as horse owners are always eager to learn more about our horses and horsemanship. We would all like to be able to move with our horses forward and straight, together with rhythm. "Dressage" classes are once again being included into our shows, so to help take the mystery out of the word dressage we are offering 2 Dressage clinicians and 1 Peruvian clinician!

The facilities have an indoor arena, outdoor riding ring, beautiful park setting along the banks of the Salmon River with a cook house, spacious self-contained camp sites, & outdoor biffy's. There are 12 indoor stalls available and 5 outdoor pens for your horses.

Horse & Rider: Members: **\$125.00** includes:

the clinic, lunch & BBQ dinner on Saturday, breakfast and lunch on Sunday, 1 night stabling  
additional nights of stabling at \$10.00 per night
